

# Map to Pahrump Loops Start / Finish

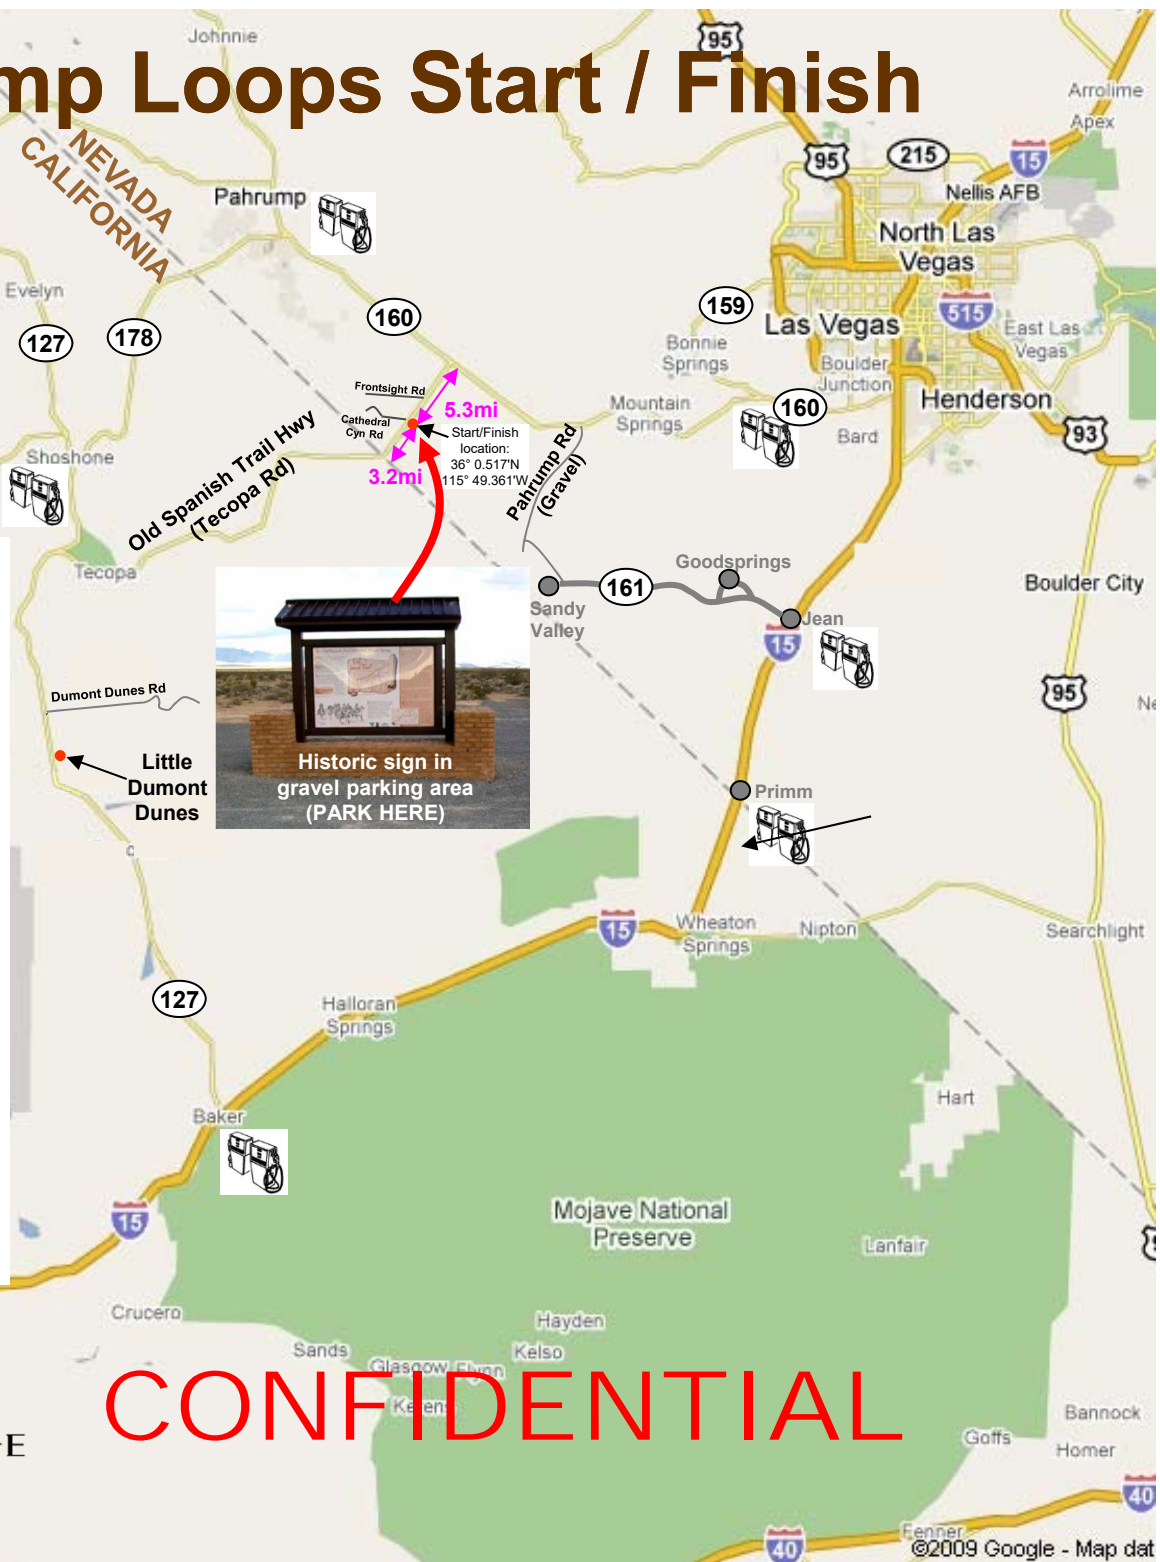

**DIRECTIONS:** From Baker go North on Hwy 127 towards Death Valley and Dumont Dunes. Go past Dumont another 17 miles, to Old Spanish Trail Hwy (Tecopa Rd). Turn right on Old Spanish Trail Hwy (Tecopa Rd) and go 33 miles, through Tecopa, across California / Nevada boarder to Cathedral Cyn Rd on your left. The Start/Finish is at the gravel parking area at the intersection of Tecopa Rd and Cathedral Canyon Rd (see historic sign).

For those coming through Vegas, take Hwy 160 West from the South end of Vegas. Cross the mountains and turn Left on Old Spanish Trail Hwy (Tecopa Rd), a few miles before Pahrump. Then go 5.3 miles to Cathedral Cyn Rd. The Start/Finish is at the gravel parking area at the intersection of Tecopa Rd and Cathedral Canyon Rd.

There is no street sign at Cathedral Cyn Rd, so you'll have to count on your keen navigation skills to know if you're in the right place! There is a strange looking big rock at the corner of Tecopa Rd and Cathedral Cyn Rd, and a historic sign in a gravel area just across the highway from the turnoff, so watch for those.

All stage loops in the roadbook start and finish at the same central point, so that's the best place to park and for crew to hang out.

Cell coverage in this area is marginal.
